Relationship Report for Humphrey and Lauren

How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All about Humphrey`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Four of Diamonds Person - The Card of Solid Values

The Four of Diamonds is a card of protection in finances, however that protection is only accessed through hard work. This card, above most others, must put forth the effort to reap the rewards or the rewards will run away from them. If they try to get something for nothing, failure and frustration will be the result. Any money they have or receive will always entail some responsibilities.

They have very good business sense and the ability to manage and organize a business successfully. Though others may see them as stubborn, they know that maintaining order and structure in their life and being clear about what is most important to them will always bring them success and satisfaction. They are not going to change anything in their life that is working well for them, no matter what others think or say. Even as children most of them know what is important to them and what is not. They know what they like.

To achieve success, they often have to come to terms with their own inner restlessness (Five of Spades) and dissatisfaction which tends to lead them away from establishing themselves in one area and making true progress. Often the work they must do involves their marriage or their closest relationships. These people are very sociable, meet many people, and usually have many friends. There are difficulties to be dealt with in their life and they must watch a tendency to get into a rut and get stuck there. However, all they need to do to have more happiness is to WORK. Once they get into action, everything smooths out, and their fears are laid to rest.

The last years of their life are often the ones with the most freedom, happiness and financial blessings. They are usually long-lived and enjoy traveling the world a lot in their later years, experiencing the things they longed for in their youth.

Some of the Four of Diamonds Issues Concerning Relationships

Four of Diamonds men and women have high ideals concerning love and often these ideals can cause confusion in real life romantic situations. Though

All about Humphrey`s Birth Card

stable and tough on the outside, inwardly the Four of Diamonds is a very restless person. Either they are restless romantically, or they attract someone who is. In addition, they have the karmic destiny to have one or more difficult marriages, usually ending in divorce. Add all this together and you have people who truly want a good relationship, but must pass through some tests to acquire it. For Four of Diamonds people, male or female, relationships are work and more work. They are often deprived of the life of ease and luxury until later in their life. Problems always ensue if they look upon their relationships as any means of escape from the harshness of life.

They have more than their share of charm and can usually get what they want in a romantic situation. They must be careful not to abuse this power. When they do, the payback is swift and painful, sometimes affecting their health. They have to practice high integrity in relationships to avoid some very challenging karmic involvements.

All about Humphrey`s Planetary Ruling Card

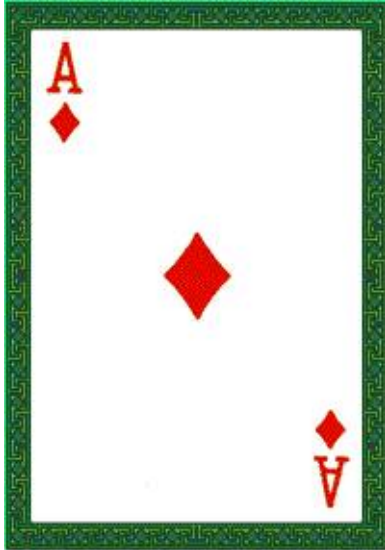

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Ten of Clubs as Your Planetary Ruler

This ruling card adds an aura of specialness to your personality, drawing you towards a high position in your work or profession. Many people with this card become known in some way and others attain great fame. You have teaching ability and probably are a teacher, regardless of what kind of work you officially do. You excel in mental areas though all this power can also make you hyperactive mentally, creating stress or problems in sleeping. It's like your mind never stops. You may even be drawn towards a career as an artist, actor or musician. You are personally an independent person and may have some trouble deciding which line of work to pursue.

All about Lauren`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Ace of Diamonds Person

The Desire for Money and Love Card

The inherent passion in this card can be expressed in a variety of ways but it always seems difficult for them to have both money and love at the same time. Perhaps this is because their nature is to focus all of themselves in one direction at a time to the exclusion of all others. In any case we find these people striving to attain one or both most of the time and rarely having both. They can be impatient, selfish and mercenary, or they can be the greatest of givers. They are all kind hearted on one level. The strong Neptune influence can give them high ideals to aspire to and this can lead them to doing great work or to live in a big fantasy of their own making. It depends on the individual just how they handle this strong Neptune energy.

These people are creative and capable of working two jobs at once. They meet new people every day and much of their good fortune comes from these meetings. They are ambitious and most of them have some artistic ability. Their life is a series of phone calls and communications of all sorts and usually a flurry of activity. Regardless of what they do, they see themselves as here to help the world and make an important contribution in the process. All of them are inclined to be psychic and many are naturally attracted to the metaphysical side of life. If money or power does not take top priority in their values, they can have lives of great satisfaction and accomplishment.

Some of the Ace of Diamonds Issues Concerning Relationships

As mentioned earlier, the main challenge for the Ace of Diamonds in love is whether they will have to give up their careers to have the love they want. Romantically, they are often indecisive, or they attract others that have difficulty making decisions. They like to be away from their loved ones for periods of time and oftentimes they will choose to love someone who is not available or who will be away from them a lot, either physically or emotionally. In other cases, they

and their partner spend a lot of time traveling and seeing the world.

Many have said that Ace of Diamonds men in particular, should never marry. Most Ace of Diamonds have endured at least one difficult divorce, something that was destined and yet not meant to be a curse on their whole life. I have seen successful Ace of Diamonds marriages, but in those cases I always notice that the couple travel together and have their respective careers separate from each other. This seems to settle the conflict.

All about Lauren`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Queen of Diamonds as Your Planetary Ruler

This ruling card gives you a certain pride in yourself that encourages you to maintain a sense of dignity in your affairs. You like your money and will usually purchase only those things of high quality, and usually high cost, when they might be a reflection on who you are. You have a lot of natural business skills that could bring you success in most any business, but there could be some uncertainty about which direction to go from time to time because you also have a great deal of creative energy. In personal relationships you have chosen to maintain a certain amount of personal freedom and this could preclude long-term commitments. You are an outgoing person and enjoy social events.

All about the Love Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

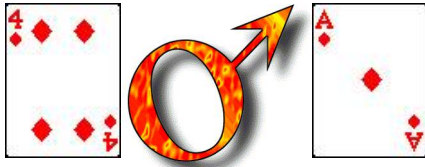

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

The First Connection Between You

Humphrey

Lauren

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

Humphrey is the Mars Card to Lauren

Location: Spiritual Spread

This is one of those 'instant recognition', past-life connections that is responsible for many marriages and friendships. This connection tells us that Humphrey and Lauren have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Humphrey and Lauren will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

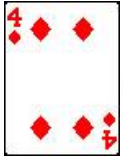

In particular, Humphrey is a strong stimulant to Lauren. He will either excite her, make her angry or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Lauren will have a great responsibility to channel this energy into positive activities. Lovemaking is a wonderful outlet for this energy and there is no doubt that passion exists for this couple. In many cases, this connection exists between a couple who had unfulfilled passion for each other from the past life in question. It was an unconsummated love that for whatever reason, was never allowed to run full circle. Now, when they meet in this lifetime, the passion is right there, as if it had just been waiting for them to meet to be realized. 'Lust at first sight' might describe it quite well.

But there is an equal possibility that Humphrey and Lauren were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into love. Other connections between Humphrey and Lauren may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other.

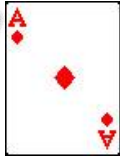

Regardless of the reason for their getting together, in the here and now

Report by

The First Connection Between You

Humphrey

Lauren

they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, most of the couples who have successful working and romantic relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Humphrey and Lauren will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, Lauren is probably the one who allows Humphrey to anger her. Because Humphrey is her Mars Card, she is the one who is reacting to Humphrey as a Mars influence. She also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for Lauren and she probably chose Humphrey to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Lauren may be affected a little more since she is the one receiving most of the Mars energy. If Humphrey and Lauren take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Humphrey: I am aware of how much I stimulate Lauren and understand her feelings. With this awareness I consciously guide my actions and

The First Connection Between You

Humphrey

Lauren

help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Lauren: I accept Humphrey as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

The Second Connection Between You

Location: Spiritual Spread

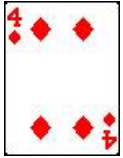

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This connection produces a sort of 'fated' quality to relationships. Because of a past life of being together, Lauren and Humphrey may feel drawn together by some unexplainable force, in order to complete some issues they left unresolved in that former time together. Essentially, there was unfinished business in which Lauren was a catalyst for Humphrey's transformation on a deep level. In this lifetime this business may have a chance to be completed if both partners are aware of this connection and its implications.

Lauren represents certain qualities or characteristics that are a part of Humphrey's personal transformation in this lifetime. She may challenge Humphrey at times, making him feel confronted or even threatened. This may or may not be intentional because in Pluto relationships merely the presence of the Pluto person is enough to effect a lot of change in the other person. Each of us has a Pluto Card that represents an important area in our life where we need to die and be reborn in some way. It represents something or things that we need to let go of or change in order to progress to the next step in our evolution. Someone who is our Pluto Card will in some way remind us of this change we need to make and at the same time, act as a catalyst to get that change happening.

Humphrey may feel that there are qualities about Lauren that he wants for himself. She may do things or have qualities that Humphrey would like to do or

The Second Connection Between You

Humphrey

Lauren

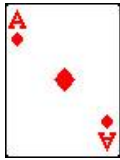

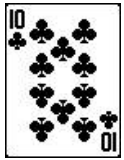

have. Indeed, he may have attracted Lauren to encourage these things within himself. However, we know that Humphrey will have to make some fundamental changes in himself if he is ever to have these qualities or things. That means that he must do things differently in his life. Lauren will remind him of this and he may not always appreciate this reminder. Even though Humphrey may realize that Lauren is playing an invaluable role in his life in helping him to change, he may resist this change at times. Sometimes Pluto acts as an unrelenting force that keeps confronting us over and over again. When this is the case, we may feel like a caged animal and lash out at anyone who appears to be coming at us. This can be the case with Humphrey and Lauren, but this usually only happens in extreme cases.

If Humphrey is aware of Lauren's role as defined by this connection, he can use this valuable connection to effect great and wonderful changes in his life. This can be the most valuable relationship of his life and help Humphrey achieve his dreams and ambitions.

Affirmation for Lauren: I realize the unusual role that I play in Humphrey's life and consciously direct my thoughts, words and deeds to perform this role in a loving and compassionate manner. I am inspired by the work he is doing on himself.

Affirmation for Humphrey: I accept Lauren as a catalyst for my own personal transformation. I consciously apply myself to my inner work while being grateful for Lauren's presence in my life. With her, my transformation is accelerated many times over. I accept this change as my own personal responsibility.

The Third Connection Between You

Humphrey

Lauren

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Humphrey and Lauren are Jupiter to each other

Location: Life Spread

This connection promises a lot of compatibility to Humphrey and Lauren and presents some unique opportunities for them to take advantage of. It is considered to be one of the most beneficial influences that exists and is relatively rare, occurring in less than 1% of the population. If taken advantage of, this connection can bring some wonderful blessings of many kinds into their lives.

Jupiter is the planet of abundance, both material and spiritual. Since this connection between Humphrey and Lauren is mutual, they exchange these blessings on a relatively equal basis. But a mutual connection is often like having three regular connections because it tends to augment itself as the energy is passed back and forth between the partners. For this reason, we can say that Humphrey and Lauren are unusually blessed in this relationship and are likely to share many good things with each other.

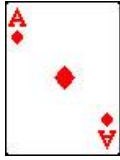

Usually the partners with this connection share a similar philosophy about life. They may be involved in a specific religious or spiritual group, or just may have the same thoughts about life, justice, the world and other important matters. Having a similar philosophy lends itself to good feelings about being together. It is one of the foundations upon which many successful relationships are based. If Humphrey and Lauren find this to be true, their relationship will tend to augment their beliefs and ideas and others will feel a certain amount of unity and power from them, because they both stand for the same things.

Another beneficial aspect of this connection is the financial one. This connection can be experienced as a feeling of unlimited prosperity. Together, Humphrey and Lauren have the horn of plenty surrounding them and their activities. They tend to attract money and good things into their life and these are given and received graciously between them. For this reason, this connection is unusually good for both marriage and for business partners. Many financially successful couples have one or more Jupiter connections between them. But Humphrey and Lauren have the equivalent of two or three in just this one, so they have much to be grateful for.

The Third Connection Between You

Humphrey

Lauren

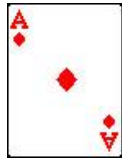

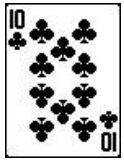

Many good things can come from this relationship if Humphrey and Lauren end up staying together with the right attitude. That attitude is appreciation. All they need to do to amplify and multiply all the good effects of this connection is to periodically take stock of all the things they have to be grateful for and take time to express their appreciation of each other to each other on a regular basis. When they do this, the Jupiter energies become like a powerful generator of good things. It can really be magical just how quickly and frequently these good things happen.

Even if they do nothing, there will be good things shared in this relationship, regardless of other connections that exist. And for these things, there is much to be appreciated. If Humphrey and Lauren want to see some magic, just become more conscious of the blessings and see what happens.

Affirmation for Humphrey: I am enjoying the ways that Lauren and I give to each other. I experience a feeling of enhanced abundance and prosperity in this relationship that makes me thankful for having Lauren in my life. Our prosperity is growing every day.

Affirmation for Lauren: I enjoy giving and receiving with Humphrey and feel that this relationship is an important blessing in my life. I sense that our wealth is growing each day and I am grateful for all of the wonderful things Humphrey brings into my life.

The Fourth Connection Between You

Humphrey

Lauren

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Lauren is the Jupiter Card to Humphrey

Location: Spiritual Spread

This is one of the past-life or 'earned' connections, and it happens to be one of the better ones in terms of what it brings into the lives of Lauren and Humphrey. This particular connection indicates that Lauren and Humphrey shared a past life where they held the same spiritual or philosophical views. There is a strong possibility that during that lifetime, these philosophies and beliefs were a major theme in their life. Perhaps they were members of a religious group, or somehow entered into a life of spiritual disciplines and study. This lifetime had a powerful and enlightening influence upon both of them, revealing many truths about life and the laws of the universe that they still draw upon for guidance and direction.

Now that they have found each other, Lauren and Humphrey are reminded of the connection they once had. By being together, many positive results are manifesting in their lives. Lauren enjoys being the giver in this relationship and she will give everything that she can to Humphrey as a natural expression of her love for him. She will provide guidance and inspiration when it is needed and will act as a reminder of the high level of truth and integrity that they once shared.

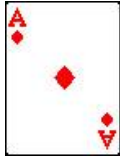

This connection is about truth and integrity, but it is also about giving, prosperity and abundance. Humphrey is the one who receives most of these benefits because he is on the receiving end of this connection. Lauren also benefits because giving is in reality another form of receiving. Lauren and Humphrey have a natural inclination to give to each other and if this giving and receiving is allowed to grow and be appreciated, it can grow into one of the most important cornerstones of their relationship. It has the potential to fulfill many of their dreams and desires by attracting opportunities, good relationships and things into their lives.

In particular it is up to Humphrey to stimulate this potential by practicing the art of appreciation for the many good things he shares with Lauren. Appreciation is one of the magical keys to prosperity, one that could unlock the

The Fourth Connection Between You

Humphrey

Lauren

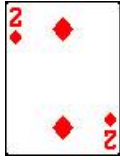

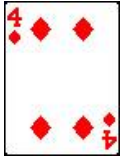

door to his most cherished desires. When the natural giving that Lauren does is complimented by Humphrey's felt and expressed appreciation, it generates a potent energy that attracts many good things into their lives.

Many couples who have this connection end up quite well off financially and they seem to be 'lucky' by most standards. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. With such a fortunate connection between them, Lauren and Humphrey have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives.

Affirmation for Lauren: I am glad to be a blessing in Humphrey's life and hope that I can give him all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Humphrey must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Humphrey: I am grateful for the presence of Lauren in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings and transform our relationship into a powerful force for prosperity, peace and abundance.

The Fifth Connection Between You

Humphrey

Lauren

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Humphrey is the Venus Card to Lauren

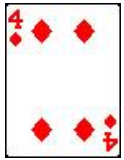

Location: Spiritual Spread

This is one of those 'love at first sight' connections that is responsible for many successful marriages and friendships. This connection tells us that Humphrey and Lauren have shared some past lives together. In at least one of those lives, they were involved in a long-term relationship into which they each had to put a lot of effort in order to maintain harmony and compatibility. In that lifetime, they developed a deep love and respect for each other, as well as trust. Now, when they meet in this lifetime, they almost immediately sense this other soul with whom they have shared so much. They may or may not actually enter into a committed relationship during this lifetime, but what matters most is that a love exists between them that was already there, which will remain forever more.

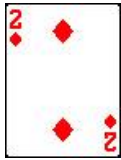

If they do decide to get together again, they have what few other couples have and that is a great head start. Because they have already worked out the mutual trust, respect and admiration for each other, they can immediately advance to a very compatible and harmonious life together. They may or may not actually have much in common. In this lifetime, the personalities that they have may be much different than before. Other connections, especially among the Planetary Ruling Cards, will reveal how their personalities actually interact in this lifetime. There are cases where the personality differences are so great that it becomes impractical for them to be together as a couple. The love is there and it is strong, but their personal directions may be much different in the current lifetime. In those cases, the love is recognized and acknowledged, but never completely consummated.

This connection makes believers of those who doubt that love is forever. The fact that Humphrey and Lauren have found each other is a sign of good fortune for both. These kinds of relationships only happen to those who have some purity of heart and who are aware enough to recognize the value of it. So, we can say that Humphrey and Lauren have reached some high degree of loving in order to have found each other again. It is a good sign and a blessing.

The Fifth Connection Between You

Humphrey

Lauren

Hopefully they will be able to take this foundation of mutual love, respect and admiration and go forth to create a beautiful future for themselves.

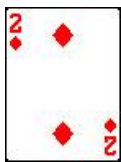

Affirmation for Humphrey: It feels very right to be with Lauren, with whom I share some kind of deep and timeless love. I appreciate her presence in my life and feel blessed by it.

Affirmation for Lauren: I experience a love for Humphrey that is hard to describe, and yet feels very familiar and right. I sense that we have been together before and look forward to more time together to share this unique love that we have for each other.

The Sixth Connection Between You

Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

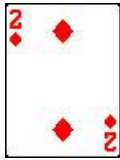

This connection tells us that Lauren and Humphrey have some score to settle from a past life. There was some unfinished business that now has an opportunity to be resolved in this lifetime. This is especially true if Humphrey is strongly attracted to Lauren. Now, in this lifetime, they can take up where they left off. The essential message of this connection is that Lauren has something to teach Humphrey. That something could be one of many things. Lessons come in all shapes and sizes. Some are about relationship, some are about career or dealing with money. Others are about self-esteem, honesty, faithfulness, responsibility and fairness. We don't know which of these lessons are the ones being dealt with in this lifetime, but we do know that something important will be transferred in the course of this relationship.

It is likely that Lauren and Humphrey felt a strong attraction when they first met, and even that they felt this sort of ease and familiarity that is associated with all of the past-life connections. There could have been great romantic feelings as well. However, this connection tells us that there is also a

The Sixth Connection Between You

Humphrey

Lauren

very practical side to this relationship, one in which Humphrey will be influenced by Lauren to become more successful, responsible and practical. Lauren could have even been Humphrey's father in a former lifetime - a lifetime in which her role as father didn't get the opportunity to be fully expressed. However, this is only one of the many ways this connection could have originated.

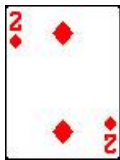

It is certain that there is some form of 'karmic debt' that is being paid off over the course of this relationship and it is noted that many relationships with Saturn connections last a long time. Sometimes, paying off this debt is the main reason for this relationship in the first place. Though other connections may describe various characteristics of their being together, this karmic repayment may be the most important reason that Lauren and Humphrey are together. And keep in mind that the payment is being made from Lauren to Humphrey, and that the payment is some sort of lesson about life. We must also keep in mind that Lauren is just as much bound to pay this lesson as Humphrey is to receive it. This relationship is important to both of them, but each for their individual reasons.

Relationships like these show us God's hand in motion. We see God's plan for us unfolding. If we pay attention, we can learn a lot about the ordered nature of our universe and reality. This relationship demonstrates how every cause has an effect, every effect has a cause, and how some of our relationships have a broader purpose than to just be in love or to raise a family. Saturnian energies are often difficult but this relationship does not have to be so. If there is a mutual feeling of growth and openness between Lauren and Humphrey, this relationship can be experienced as a very positive influence for both of them, one that leads them to more productive and happy lives.

Affirmation for Lauren: I understand that I have the ability to see all of Humphrey's faults and shortcomings and share suggestions with him lovingly and with the awareness that I have a powerful effect on him.

Affirmation for Humphrey: I realize that I chose this relationship with Lauren to

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is one of the past-life connections that tells us that Humphrey and Lauren have already been together before. In fact, in that previous lifetime, they developed a true friendship and mutual respect for each other that has carried over into this lifetime. Now, they can enjoy those qualities and use that to build an even stronger relationship. However, both should know the implications of this connection, which tells us that it is not ideally suited for all couples. Humphrey and Lauren have a great possibility here, but also possibly a great challenge. It all depends upon how well they are able to allow each other that personal freedom, especially when that freedom may scare them or leave them feeling uncertain. The Uranian relationship is certainly not for everyone. It is for those who want to experience the highest form of unconditional love in the context of an intimate relationship.

In particular, Lauren may be the one who is most affected by Humphrey's behavior. At times he may seem to act in such an unexpected manner that Lauren is taken off balance by him. If she places big demands or expectations upon him, Humphrey will seem to be even more uncontrollable and unpredictable, which may engender even more uncertainty for her. This is because Lauren is the one who is receiving the Uranian energies the most, unless other connections point out that Humphrey is also receiving some. In any case, the call here is for Lauren to drop her expectations and learn to appreciate the time and things that she does share with Humphrey, instead of focusing on the parts that she is not getting the way she wants. This can be an easy lesson or a

hard one, it depends mostly on Lauren and her attitudes. We might say it is a matter of having both faith that Lauren will get her needs met and her having appreciation for all that she does have in the context of this relationship.

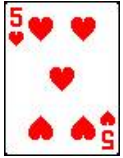

However, this connection tells us that Lauren has already learned these lessons in the prior lifetime. She probably will not have such a hard time of it. Most of the relationships with this connection are good friendships. Both partners usually have separate careers or lives, but allow each other the space to do as they please without placing big demands upon each other. They truly enjoy the time they spend together but do not require that this time be scheduled into their lives, as if there wasn't going to be enough of it. It would be well for both Humphrey and Lauren to model themselves after these ideal characteristics, which is the Uranus connection in its highest expression.

The Uranus connection often provides a psychic link between partners. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other. It is really a beautiful thing when a Uranus relationship is working well. Both partners are relaxed and unconcerned as to whether or not they will see each other again. They both feel the love they have for each other and that is enough. The time they do spend together is like the icing on the cake, and another chapter (and adventure) in the book of their friendship.

Affirmation for Humphrey: I realize the powerful effect I have on Lauren. Though I will never allow her to control me or dictate my actions, I will express my love to her so that she knows that I really care.

Affirmation for Lauren: I allow Humphrey to be completely free to be himself. In this way, I am creating the relationship of my dreams - one based upon true friendship and unconditional love.

Lauren is the Moon Card to Humphrey

Location: Life Spread

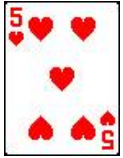

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long term commitments. When someone is our Moon card, we feel very close and comfortable with them.

In this relationship, Lauren is a Moon Card influence to Humphrey. Her presence in Humphrey's life is like a healing balm that soothes him. She provides Humphrey with nurturing support and a sense of foundation, security, home and settledness. Humphrey, on the other hand, brings many good things into Lauren's life. He brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship. In this relationship Lauren and Humphrey have a strong communication link. This makes it easy for them to share ideas, thoughts and feelings and makes this one of the highest connections that exists for overall compatibility. Whether they realize it or not, Humphrey is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

When we envision the ideal male/female relationship, a symbol that comes to mind is the Sun and Moon. One rules the day, the other, the night. One is fire and the other water. Together they balance each other out and fulfill each other's vacant spots. The Sun warms the water (Moon) and the water cools the Sun. This is the most ideal connection for a couple who have these essential male and female qualities and nearly guarantees the success of the relationship. Thus, it is not surprising how many successful marriages are based upon this important connection.

Keep in mind though, that this connection only supports partners who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended unsuccessfully because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Lauren is not willing to be the supportive, nurturing person in this relationship, or if she is unwilling to take the back seat to Humphrey in

key situations, this relationship may not last. Likewise, if Humphrey is unwilling to provide leadership, perhaps because he doesn't have any clear direction for his life, then the same result is likely.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them and usually dictates how they are together. When Lauren and Humphrey are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Lauren: I am very grateful for Humphrey's presence in my life. He is a breath of fresh air that is always bringing me new and wonderful things. I love our communication together and enjoy being Humphrey's support person. It feels natural to give of myself in this way.

Affirmation for Humphrey: I am grateful for the presence of Lauren in my life. I feel that I have found a perfect partner that supports me in the directions that I feel are important in my life. I appreciate all the wonderful things that she does for me and our easy and natural communications.

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This connection is often found between couples who are either successfully married or otherwise committed to being together. Our Cosmic Reward Card is often someone with whom we are destined to be with, usually later in our life. It doesn't have to be in the later years of our life, but usually, this is the time in our life when we have completed much of our own personal transformation and have gotten to know just what things and people make us the most happy. In this relationship, Lauren is the Cosmic Reward, or Blessing, Card of Humphrey's. Therefore he is the one who is receiving this blessing and reward energy from Lauren and this connection affects him the most.

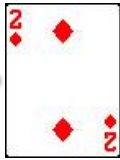

Just how Humphrey will experience this connection will be directly affected by his attitude and the measure of his own consciousness about his life. If he is someone who has learned a lot about himself, both his gifts and his challenges, then he will probably experience Lauren as an important blessing in his life that he derives much pleasure and happiness from. If, on the other hand, Humphrey is still getting to know himself and hasn't yet dealt with the challenges and changes that are represented by his Pluto Card in the Life Spread, he probably finds Lauren to be a great challenge in his life, someone who seems to confront him often, or remind him of what he may become, but is not. It is important for Humphrey to become familiar with the meaning of his Pluto Card and how that represents some of the internal changes that he will have to make in this lifetime in order for him to fully understand his relationship with Lauren. The Pluto and Cosmic Reward Card are closely related, one precedes the other. It is after we have met the challenge implied by our lifetime Pluto Card that our Cosmic Reward Card is able to manifest its fullest blessings in our life.

Lauren is influenced by this connection in that she is encouraged to give of herself to Humphrey. She naturally wants to give to and share with Humphrey all of the things that she feels are blessings in her own life. This giving can help create a powerful bond of mutual generosity and appreciation between them, which can become one of the foundations for a beautiful and long lasting

marriage or other relationship. However, for this to happen, Humphrey must express the appreciation he feels for Lauren's contribution. The Cosmic Reward connection implies that this may be more difficult to do if Humphrey is still wrestling with some of his own basic personal issues. However, he may sense the importance of Lauren anyway and be acting on instinct in his attraction for her. It really doesn't matter in one way of looking at it - if Humphrey stays with Lauren long enough, these blessings are guaranteed to show up and become a positive influence in their relationship. This is one of those connections that is like a fine wine - the older it is, the better it is.

In its highest expression, the Cosmic Reward connection can make us feel truly blessed by the universe and give us a sense that we are in the perfect place and time for our highest good. It can help us feel that everything is as it should be and that nothing that occurs in our life is without a perfect and loving purpose. We feel more connected to everything, especially the cosmic rhythm and timing of the universe and have experiences that remind us that we are blessed in every way. So, this is the potential for Humphrey in this relationship and for Lauren as well if Humphrey allows these influences to be appreciated. And remember that with this connection, time is always on their side. The longer they remain together, the better it will be.

Affirmation for Lauren: I am glad to be a blessing in Humphrey's life and hope that I can give him all that I have to give. I understand that he may be challenged by me at times and have compassion for this. I only wish the best for him.

Affirmation for Humphrey: I am grateful for the presence of Lauren in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

Lauren is the Cosmic Reward Card to Humphrey

Location: Spiritual Spread

This is a past-life connection and one that has strong, spiritual overtones. The Cosmic Reward Card is associated with Jupiter and as such can be a blessing in our life. But whereas Jupiter's blessings are often of a financial nature, the Cosmic Reward Card's blessings are usually of a less material nature. In its highest manifestation, the Cosmic Reward connection will bring us experiences that validate our own importance in the universe, helping us feel connected and blessed by higher powers. We can receive guidance and confirmation about our life and its purpose. Feelings can arise that inspire us, enliven us and make us feel good about living. These are things that we often do not value much until we have advanced in age to some degree. In general, we say that Cosmic Reward relationships are perceived as more of a blessing after the age of 35. But this is only based on averages and norms. Anyone can be more interested in these things at any age.

Humphrey is the one who is receiving this Cosmic Reward influence from Lauren. This means that Lauren could be a very important blessing in his life, if he is willing and able to receive it. Since the Cosmic Reward Card follows the Pluto Card, it is often only after we have done our own work of personal transformation, indicated by our Pluto Card, that we are rewarded, so to speak, by our Cosmic Reward Card. The Cosmic Reward Card, is, in any case, something that we are destined to become or achieve in this lifetime. This means that Humphrey may feel drawn to Lauren because he can perceive that Lauren has these qualities that are a part of his destiny. If Humphrey is creating a happy life for himself, Lauren will be a natural part of that happiness, if other connections do not strongly indicate otherwise.

This connection guarantees that this relationship has a certain amount of compatibility potential. Lauren truly feels encouraged to give to Humphrey and to share her wealth and abundance with him. This giving attitude can be part of a good foundation for a successful relationship. But, if Humphrey has not yet dealt with his own need for change in this lifetime, Lauren may just serve as a

reminder to him of this fact. If this is the case, Lauren may seem more of a confronting and challenging influence to Humphrey.

So, we see that much of how this connection affects the relationship lies in the hands of Humphrey. It is for him to decide what to make of it. Hopefully, he will be ready to receive Lauren as the blessing in his life that she has the potential to be. Later, he may realize that they were destined to be together, which is a common experience with this connection.

Affirmation for Lauren: I am glad to be a blessing in Humphrey's life and hope that I can give him all that I have to give. I understand that he may be challenged by me at times and have compassion for this. I only wish the best for him.

Affirmation for Humphrey: I am grateful for the presence of Lauren in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.
